Pathshaalaa's Kursfilme

A signature course by Pathshaalaa, customized by our in-house trainers. This course aims at combining the fun of watching a movie with practicing language skills. We believe that watching movies and series is a great way to improve language skills. So, we have collected some enjoyable short films to help you learn German.

Who should attend this session?

If you

- have completed B1 German.
- love watching and then talking about movies.
- are looking for an engagement to do something interesting with the language.

then, this session is planned for you to have fun while improving your language.

Eligibility: B1 German / TYBA (German special) / Advanced Diploma in German or equivalent course

Course Agenda:

- We will deal with 1 short film in each session (= 4 hours).
- We will watch the short film and do some activities before, while, and after watching the film.
- There will be creative writing and speaking activities associated with every film.
- We will have multiple sessions with a new short film every time, so you can attend multiple sessions, as they will always have something new to offer.
