Pathshaalaa's Spoken German & Grammar Revision Course

A signature course by Pathshaalaa, customized by our in-house trainers. This course aims at revising German Grammar from A1 to B2 level along with providing students with a platform to develop their spoken and written German.

Who should attend this course?

If you

- have completed B2 or C1 German long back or a while ago,
 - don't feel confident speaking in German due to discontinuity or a limited usage of the German language in day-to-day life,
- then, this course is planned to help you with a detailed revision and work on your speaking skills before you attend B2.

Eligibility: TYBA (German special) or B2 German or equivalent course (attended)

Course Agenda:

- The **revision** of all German Grammar Topics from **A1 to B2** levels is covered in the course.
- Every day, we will cover 1 or more grammar topics and **solve exercises**.
- The course will also include regular **speaking or writing exercises** related to the grammar topic at hand.
- In addition to this, there will be **spoken German** practice sessions happening in multiple rounds in which students will be asked to present a topic in front of everyone.
- There will be a session dedicated to "**Aussprache**" training, wherein the students will get to know the important pronunciation rules of German and will be given ongoing feedback for the same.
