## Pathshaalaa's Interactive Workshop:

### **Learn Online Teaching Tools:** *a journey from blackboard to the smartboard*

This signature workshop of Pathshaalaa is a smart and effective way of getting acquainted with different online tools of teaching. This doesn't only help you to make your classes more interactive but also aids you to organize your online classes in a more structured manner.

We aim to provide you with hands-on experience during this workshop. With our daily assignments, we make sure you have practical experience with different online teaching tools.

This course is divided into 2 levels: Basic and Advanced. The Students can opt for each level separately.

### **Facilitator Profile:**

Renuka Panchpor
